Strangers in the night exchanging glances
 Wond'ring in the night what were the chances
 We'd be sharing love

Something in your eyes was so kind
 Something in your smile was so true
 Something in your head was so good

Strangers in the night exchanging glances
 Wond'ring in the night what were the chances
 We'd be sharing love
 Up to the moment we met our first love
 We did we know
 Love was just a glance away, a warm embracing dance away

Ever since that night we've been together
 Lovers at first sight, in love forever
 It turned out so right for strangers in the night

Love was just a glance away, a warm embracing dance away
 Ever since that night we've been together
 Lovers at first sight, in love forever
 It turned out so right for strangers in the night
